(4)後測

The screenshot shows the 'My Courses' page on the ADA Institute of Learning platform. The course '連續血糖監測技術：穿戴式與植入式' (Continuous Glucose Monitoring: Wearable and Implantable) is listed as completed. A message states: 'You have completed all available course material. You can review the course material again, or start post exam.' There are buttons for 'Back To Course Home' and 'Start Post Exam'. The 'Course Material' section shows a progress bar at 100% with a checkmark icon.

(5)第一章節結束。接著重複步驟完成其他三個章節。

This screenshot provides a more detailed view of the course completion status. It shows a table with three sections: 'Pre Exam', 'Course Material', and 'Post Exam'. Each section is marked as completed with a checkmark. The 'Post Exam' section notes a score of 100% and includes a 'Review' button. The 'Course Material' section has an 'Access' button. The 'Pre Exam' section has a 'Review' button. The course title '連續血糖監測技術：穿戴式與植入式' is visible at the top.

Section	Status	Details	Action
Pre Exam	Completed	You have successfully completed the Pre Exam portion of this activity.	Review
Course Material	Completed		Access
Post Exam	Completed	You have successfully completed the Post Exam portion of this activity with a score of 100%. Please click Review to review your Post Exam.	Review

(6)四個章節均完成，即可列印證書。
